I believe all people are created in the image of God, therefore worthy of dignity and respect.

- I will consider all jobs equal, regardless of the size or details, giving my customers equal attention and respect.
- I will always respect my customers, their loved ones and their property.

Because I consider my business an opportunity to use my talents to please God and partner with people, I will always look out for my customers best interests.

- I will guarantee all my work.

- I will give an honest estimate of price and time needed for every project, and will communicate any unforeseen changes necessary to complete the project to my customers satisfaction.

I am a Redlands-based licensed, insured and bonded contractor. After working in the construction industry for over 20 years, I started my own handyman business. I serve the Redlands, Loma Linda, Yucaipa, San Bernardino areas, offering free estimates. If scope of work is beyond my area of expertise, I have a network of licensed professionals who share my same commitment to quality, affordability and customer satisfaction, whom I can refer or include on a job.
